Personal Resume:

I graduated in 2004 with Diploma in Arts option music/singing from the University of Sonora. I have a solid experience interpreting contemporary, popular, classical, and regional Mexican music, such as Mariachi, and several performances that address different genres and musical styles, taking as a starting point the classical repertoire. Experience in Theatre and musical productions since 1990. In 2019 I trained in Dubbing and Advertising Communication in Mexico City with important dubbing Work artist. I have a solid background in distinct areas like music history, text analysis, and interpretation based on classical and contemporary music. I like to interpret different styles for dubbing parts playing several characters from young to mature voices in drama, comedy, sentimental, casual, executive, etc. You can use my voice in your VoiceOver productions, podcasts, Jingles, Songs, Backing Vocals, Narratives, Interviews, Corporate Presentations, Audiobooks, Commercial Announcements, radio, and television. I always give a service of excellence and follow instructions to make the customer feel satisfied. Contact me at any time! Thank you for your attention.
